STEWARDSHIP OPPORTUNITIES FOR SHARING TIME AND TALENT AT SS. JOHN AND PAUL PARISH

We are grateful for the many ways that parish members give of themselves—their time and talent and treasure—to help this parish live out its mission and ministry in the name of Jesus Christ.

Please look over the pages that follow. They will give you brief descriptions of some of the ways parish members can get involved and help the parish, along with what kind of time commitment might be involved. Every parish member, regardless of age, is asked to try to connect to one or more of these needed ministries. Included with this booklet is a one-sheet summary of the areas we are especially in need of this year, although we will gladly accept your volunteer help in any area you choose. We ask that you fill it out and return it to the parish office or drop it in the Sunday collection.

Filling it out does not commit you to that volunteer ministry. It simply lets us know of your interest.
