

PARENTING THE LOVE AND LOGIC WAY

A 6-week parenting program hosted by Matt Dery designed to give you practical skills that can be used immediately!

Do you find yourself yelling at your children? Are your kids not willing to do chores? Is family time stressful instead of fun? Are you looking for help to hone your parenting skills?

If you answered yes to any of these questions, this is the program for you.

Parenting the Love and Logic Way® will teach parents how to:

- Avoid unwinnable power struggles and arguments
- Stay calm in upsetting situations
- Set enforceable limits
- Avoid enabling and begin empowering
- Help kids learn from their mistakes rather than repeating them
- Raise kids who are family members instead of dictators
