Join us as we explore our ancestor's relationship with God in all its richness. This study explores Old Testament history, theology, and stories, from the creation accounts of Genesis to the fall of the Northern Kingdom (722 B.C.) and its prophets. Even if you are not able to make all the sessions or purchase study books, bring your Bible and join us. We have Bibles available in scripture study for use at session as well. Drop in any evening or morning session.

Every level of scripture knowledge welcome!
