

Dear SSJP men and friends of SSJP,

The Capuchin Brothers are hosting a men's retreat weekend April 4- 6th with the option of a full weekend format or a one-day retreat format. The retreat will include conferences, personal prayer, fellowship, confession, and a healing service. Those who attend the full weekend format will also be able to attend Sunday Mass at the retreat center.

Every person is at a different stage in his walk with Christ, and each person's needs within a retreat can vary based on his stage and situation. This retreat experience is highly adaptable, based on each attendee's personal needs for prayer, silence and/or fellowship. Between conferences you may prayerfully roam the grounds, pray quietly in the chapel or partake of fellowship and sharing with other Catholic men.

The Friars are providing both a **full weekend option** as well as a **one-day retreat option** for those men and friends of SS. John and Paul who would like to take advantage of this retreat but may not be able to stay for the entire weekend. Those who would like to participate in the one day format may attend the Saturday portion of the retreat for a fraction of the weekend cost.

Please see the flyer for both options and follow the corresponding instructions to register. The Capuchins are very excited to welcome the men of SS. John and Paul for an experience of Christ at their beautiful home. Come and bring a friend!

SS. John and Paul Faith Formation Department
